On this site, you will find the **complete [menu](#) of Iggies Beach Grill** from Southside. Currently, there are **16** meals and drinks available. Located within the Bolongo Bay Beach Resort, Iggies restaurant offers an intriguing mix of culinary possibilities, particularly for those with dietary restrictions. While some diners report effective accommodations for gluten-free needs, others experienced significant miscommunication leading to health issues, notably concerning cross-contamination. Despite assurances from staff about food preparations, the inadequacy of service overshadowed the meal. Communication gaps among the waiting staff can create a stressful dining experience. However, when the kitchen is properly informed, options like gluten-free pasta and bread are available, hinting at the restaurant's potential for improvement in customer care. Overall, advocacy is crucial for those with specific dietary needs.
